Hi Eddie,

You are going to love this. GIVE IT TO ME!! No, honestly, just give me the check and I will send it to foundation and tell them it was a donation. That is great that you got a donation. You do not have to endorse it if it is made out to the department, Tau Beta Pi, or the foundation.

Arlene

Arlene - When I opened my office mail this afternoon, there was a \$500.00 donation for the National Convention. What do I do with it? Do I endorse it and give it to you to put into the Foundation account?

Eddie
